Gentlemen:

Many thanks for sending me a xerox of your "Nix Film Analysis." I hope you will keep me in mind if you print any more of them.

Enclosed is a copy of the article by a Warren Report critic which I mentioned to you in my last letter. Your firm could make a large contribution in this area by doing a fuller analysis of the same problem, especially given the work you have already done on the subject which has defined many of the dimensions of Dealy Plaza in Dallas.

Best wishes. If I can be of any further service, please contact me.

Sincerely,

Gary Schoener
